Jan Wawrzyk, Full Stack Developer

Trinec, Czechia, 778700561, honza.wawrzyk@seznam.cz

LINKS

My Portfolio, Weddmate

PROFILE

Full-stack developer working with React, TypeScript and Node.js. At Events Mate I introduced a reusable component library and improved responsive layouts on key pages. I also deliver client projects (Weddmate, Sowilo Light, AI Kurzy). Implemented JWT-based authentication and secure API endpoints. Completed an IT Support internship at Huisman, working on internal systems. Comfortable with PostgreSQL/MongoDB and Google APIs. Open to part-time, internship or freelance roles.

EMPLOYMENT HISTORY

Feb 2023 — Present — **Front End Developer, Events Mate s.r.o.** — Prague

- Utilized CSS-in-JS to style components and create a consistent UI look and feel
- Created reusable components to reduce code duplication and ease future maintenance
- Implemented JWT Autentification

Feb 2024 — **IT Support Specialist, Huisman Czech Republic s.r.o.** — Frýdek-Místek

- I was selected by my school for a part-time role, primarily providing IT support.
- Creating PowerShell scripts to automate repetitive tasks, thereby enhancing efficiency.
- Installing, configuring, and maintaining computer systems and networks.

EDUCATION

Jan 2022 — Jul 2025 — **Střední škola informačních technologií, s.r.o.** — Frýdek-Místek

I am still actively studying and have had the privilege of helping and teaching numerous students at various high schools and universities. My dedication to education has allowed me to support my peers by educating them on various topics mostly as Web Development.
